# TNB waiver for flood victims

**HULU LANGAT:** Tenaga Nasional Bhd (TNB) will grant a one-off 100% rebate for December electricity bill charges to domestic customers affected by floods, said Prime Minister Datuk Seri Ismail Sabri Yaakob.

He said a total of 72,000 domestic customers would benefit from the move.

"This does not involve factories, this is for houses. I have also asked TNB to help B40 homes affected by the floods when the electricity supply is reconnected," he told a media conference after visiting flood-hit areas in Hulu Langat, including Taman Sri Nanding and

Kampung Dusun Tua, where cleaning work was in progress yesterday.

He said the utility company had been carrying out free wiring inspections at flood-affected houses in Selangor, Pahang and Kuala Lumpur since last Friday.

Ismail Sabri said Perusahaan Otomobil Kedua Sdn Bhd (Perodua) would provide free towing services for Perodua vehicles based on the

insurance of vehicles.

He said Perodua had agreed to forego labour charges to repair and service vehicles sent to its service centres and offer a 50% discount on spare parts, Bernama reported.

"I was made to understand that Finance Minister Tengku Datuk Seri Zafrul Tengku Abdul Aziz will negotiate again with car companies such as Proton and others. I hope other companies can follow what

Perodua is doing."

Ismail Sabri said the government would increase the initial allocation of RM100 million to repair flood-damaged houses and infrastructure.

On the proposed application for Bantuan Wang Ihsan to be made online, he said the matter would be discussed during the first meeting of the special task force for post-flood activities chaired by Chief Secretary to the Government Tan Sri Mohd Zuki Ali.

He added that 332 military and 213 police personnel have been deployed to Maran, Raub, Temerloh, Jerantut and Kuala Lipis to assist in post-flood clean-up activities.
