The Sun Daily 22/12/2020 m/s 2 POWER TARIFFS TO BE ANNOUNCED SOON

PUTRAJAYA: The 2021 electricity tariff for industrial and domestic consumers will be announced this week, Energy and Natural Resources Minister Datuk Dr Shamsul Anuar Nasarah told reporters after attending the ministry's assembly yesterday. In June, he said the government has given an assurance that the interests of the people would be prioritised in its move to review electricity tariffs. The Energy Commission is expected to announce the new tariff for the January-June 2021 period by the end of this year, upon approval by the Cabinet. In September, Tenaga Nasional Bhd was reported to have projected slightly lower electricity tariffs next year following a reduction in the current cost of production of coal and gas. – Bernama
